Dear Tax Time Services Clients and Community,

I am excited to let you know I have decided to retire. The best part of that is I get to introduce you to Jane Watkins, CPA who will be the new owner of Tax Time Services. We worked hard to find just the right person to continue servicing your accounting and tax needs. Jane is young, smart and enthusiastic. She will bring a fresh perspective to Tax Time Services.

What that means for you is that you will continue working with our great Tax Time Services Team including Kim Agostinacci, EA, Keri Anderson, EA and Alison Whiting, our office administrator. They are here for you. Jane will be working closely with the Team to make sure the transition goes smoothly.

You can also find out more by going to <https://taxtimeservices.com> on our website.

It has been great working with you, and I know I will miss this!

Sincerely,  
Barbara D. Agerton, CPA

It is with great pleasure that I join Barbara in writing this update to you. I am delighted to take on the role of leading the Tax Time Services business, teaming with Kim, Keri, and Alison to continue as your tax and bookkeeping "go to" resources. Barbara and I are working closely to ensure a seamless transition and she will continue to be available, providing support to us in the months to come.

I am dedicated to continuing Barbara's legacy of excellent client service through simplified tax and bookkeeping using innovative technology and resources. I look forward to getting to know you all and partnering together to ensure your personal and business needs are met. I plan to frequently be in the Ridgecrest office and hope I will have the opportunity to meet many of you in person. However, as Tax Time Services continues to be a virtual firm, we are always ready to connect with you remotely via phone or video call. Please don't hesitate to reach out to me, if you have any questions, concerns or merely just want to say hi.

Kindest Regards,  
Jane Watkins, CPA
